

### Anybody there?

By inserting a 2TB harddisk in the SafeHome NVR, 15 days of continuously recording of four SafeHome HD cameras at 720p/15fps can be recorded – Non stop!

HOME • BABY • OFFICE • SHOP • WAREHOUSE

## Network Video Recorder

Surveillance • Webbased software • Remote Access • Motion detector

The perfect solution for surveillance of your home, office, warehouse or any other place you wish to monitor anytime – and from anywhere!

The NVR is connected to a monitor or TV and can be setup from here. Once connected to the network, the NVR can be operated thru its webinterface.

Connect your SafeHome M-Series HD cameras –**wirelessly** - to the NVR and record video continuously, plan a schedule or record whenever motion is detected by the cameras.

The SafeHome NVR is connected by Ethernet cable to the Internet and can be accessed by use of the builtin webinterface, so recordings can be viewed even when you are far away.

## HOTLINE SUPPORT • YOUTUBE • FACEBOOK

Den perfekte løsning til overvågning af hjemmet, kontoret, lageret eller andet sted hvor du vil kunne se området når som helst og hvorfra som helst.  
SafeHome NVR kobles til en monitor eller et fjernsyn og programmeres via webinterface.  
Forbind dine SafeHome M-serie HD kameraer – trådløst - til din NVR og optag video konstant, skemalagt eller kun når bevægelse registreres af overvågningskameraerne.

SafeHome NVR er forbundet til internettet med kabel og via den indbyggede software, kan optagelser gennemses selv lagt væk hjemmefra.

## Features / KSP

- Do-It-Yourself / Easy Installation
- Remote Access
- Video and audio recording
- Onvif support, max 4 cameras
- Motion detected recording
- Recording planner
- Compatible apps available

## Tech specs

- Web protocol: IPv4, HTTP, NTP, UPnP, DDNS
- Network 10Base-T/100Base-TX – RJ45
- Max framerate: 30fps
- Audio in/out: 1 RCA port/1 RCA port
- HDD: 3,5" Max 2TB SATA (Not incl)
- Backup/export: 2 x USB port
- USB mouse required (incl.)
- Dimensions (mm) / weight (g): 221x212x45, 652
- Relative humidity: 10 - 90% (w/o. condens)
- Power: (in/out): 100-240V (50/60Hz)/12V, 2.0A.
- Power consumption: <6W

## Packing specs

- Giftbox
- 4 language manual (UK, DK/SE/NO)
